July 16, 2014

RE: CC DOCKET NO 02-06
BILLED ENTITY: Wisconsin Heights School District, 10173 US Hwy 14, Mazomanie, WI 53560
ENTITY NUMBER: 132967
FUNDING YEAR: 2014
FORM 471 APPLICATION NUMBER: 966134

The Wisconsin Heights School District respectfully requests a waiver of the FCC Form 471 filing window deadline for Funding Year 2014. Below is a listing of facts regarding this request:

- March 10, 2014 Form 470 Application #750400001235266 was filled. The form was posted and our allowable contract date was 04/07/2014.
- After reviewing the Form 470, a correction to the Contact email was submitted.
- We waited for a response to our corrected Form 470 before filing our Form 471; however upon calling the customer service department were informed we should have moved ahead with the Form 471 filing process.

The funding we have received in the past has enabled us to make major strides in our technology program. Being a rural school district, with declining enrollment, the loss in this funding would have a negative impact on our district. Therefore, we respectfully request a waiver for Funding Year 2014.

Sincerely,

Erin Wheeler
